

SEPWA MEMBERSHIP

“To promote profitable, sustainable and quality grain production in the Esperance Port Zone.”

What does SEPWA do?

- Facilitation of research
- Education and extension
- Liaison and partnerships with industry
- Communication with members
- Varietal improvement

What can SEPWA offer you?

- Bi-monthly Newsletter with relevant technical information and SEPWA News and Events
- Regular E-news email with details of up and coming events
- Access to local Spring Field Days showcasing local SEPWA trials and results throughout the Esperance Port Zone. SEPWA works with other local groups for other field days.
- Participation in SEPWA events, trials, projects, tours and other learning opportunities that are relevant to farmers in the region
- Networking and professional development opportunities for all members of the farming business
- A copy of Field Day booklet and AGM booklet
- Access to the SEPWA website members only area for farm office resources
- To be part of a progressive group of farmers focused on producing premium quality grain and sustainable farming in the Esperance Port Zone
- To have input into SEPWA's activities and research
- SEPWA is part of a statewide "Grower Group Alliance"
- Free regular Farm Office Management (E-FOM) meetings and supporting resources
- Specific events for Youth In Ag
