

SEPWA Membership

"To promote profitable, sustainable and quality grain production in the Esperance Port Zone".

What does SEPWA do?

- Facilitation of research
- Education and extension
- Liaison and partnerships with industry
- Communication with members
- Varietal improvement

What can SEPWA offer you?

- ✓ Bi-monthly Newsletter with relevant technical information and SEPWA News and Events
- ✓ Regular E-news email with details of up and coming events
- ✓ Access to local Spring Field Days showcasing local SEPWA trials and results throughout the Esperance Port Zone. SEPWA combines with the Department of Agriculture and Food WA to run the region's premier field day, Esperance Downs Research Station. SEPWA also coordinates several field days in the region and liaises with other local groups for other field days.
- ✓ Participation in SEPWA events, trials, projects, tours and other learning opportunities that are relevant to farmers in the region
- ✓ Networking and professional development opportunities for women involved in the farming business
- ✓ A copy of Field Day booklet and AGM booklet
- ✓ Access to the SEPWA website members only area for SEPWA trial results which are specific to the Esperance Port Zone
- ✓ More local research and information
- ✓ To be part of a progressive group of farmers/ people focused on producing premium quality grain and sustainable farming in the Esperance Port Zone
- ✓ To have input into SEPWA's activities and research
- ✓ SEPWA is part of a statewide "Grower Group Alliance" that aims to strengthen the relationship between research institutions and grower groups doing research

Membership Subscription
